International Conference

on

Innovations & Research in Mechanical Engineering (ICIRME-2025)

December 15-17, 2025

(Hybrid Mode Conference)

Organized by

Department of Mechanical Engineering
National Institute of Technology Jamshedpur
Adityapur- 831014, India

The International Conference on Innovations and Research in Mechanical Engineering (ICIRME 2025) is a technical global event designed to bring together leading academicians, researchers, industry experts, and policymakers to discuss and showcase groundbreaking advancements in mechanical engineering. This conference, to be held at the National Institute of Technology (NIT) Jamshedpur, Jharkhand, resonates with the legacy of Jamshedpur as India’s first planned industrial hub established by the visionary TATA Group. With the rapid integration of cutting-edge technologies like Industry 4.0, Artificial Intelligence, and sustainability-driven engineering practices, the conference will focus on the role of mechanical engineering in achieving industrial excellence and sustainable development.

Conference Scope

- Topics for ICIRME2025 include four different themes, but are not limited, to the following:
- Theme-1:** Production and Design
 - Theme-2:** Energy and Environment
 - Theme-3:** Robotics and Automation
 - Theme-4:** Thermo - Fluidics
 - Theme-5:** Materials & Manufacturing

Important Dates

Full Paper Submission: 15th April -30st June 2025
Acceptance Notification : 30th September 2025
Online Registration: 07th October 2025
Conference: 15th -17th December 2025
